Dedication. . .

Saints . . . to a student it means the center of his life now . . . to an alumnus it means the source of fond memories. But as each year passes and today's students become tomorrow's alumni, Saints continues to fulfill the task which led to its institution thirty-seven years ago — the Catholic education of youth. Promoting this great heritage are the Augustinian Fathers, who brought to Saint Augustine High School at its conception in 1924, a rich tradition which has its roots in the inspiration and genius of that great Bishop and Doctor of the Church, Saint Augustine. It was from this great man's example of interest in youth and zeal for intellectual pursuit that the Order of Saint Augustine received its impetus. Following this spirit of their founder, the Sons of Saint Augustine founded and nurtured Saint Augustine High School. It is to these men who draw from that inexhaustable spirit of Saint Augustine, the Doctor, and whose members emulate their great founder's desire to promote the Kingdom of Christ on earth in Churches and Missions, in Colleges and Universities, in Academies and High Schools — such as Saints, that our 1961 SAINTSMAN is dedicated.

VASEY HALL, named after Father Nicholas Vasey, Provincial at the time of Saint Augustine's founding in 1924, is the administrative center of the campus. An addition in 1958 expanded already existing library and administrative facilities.

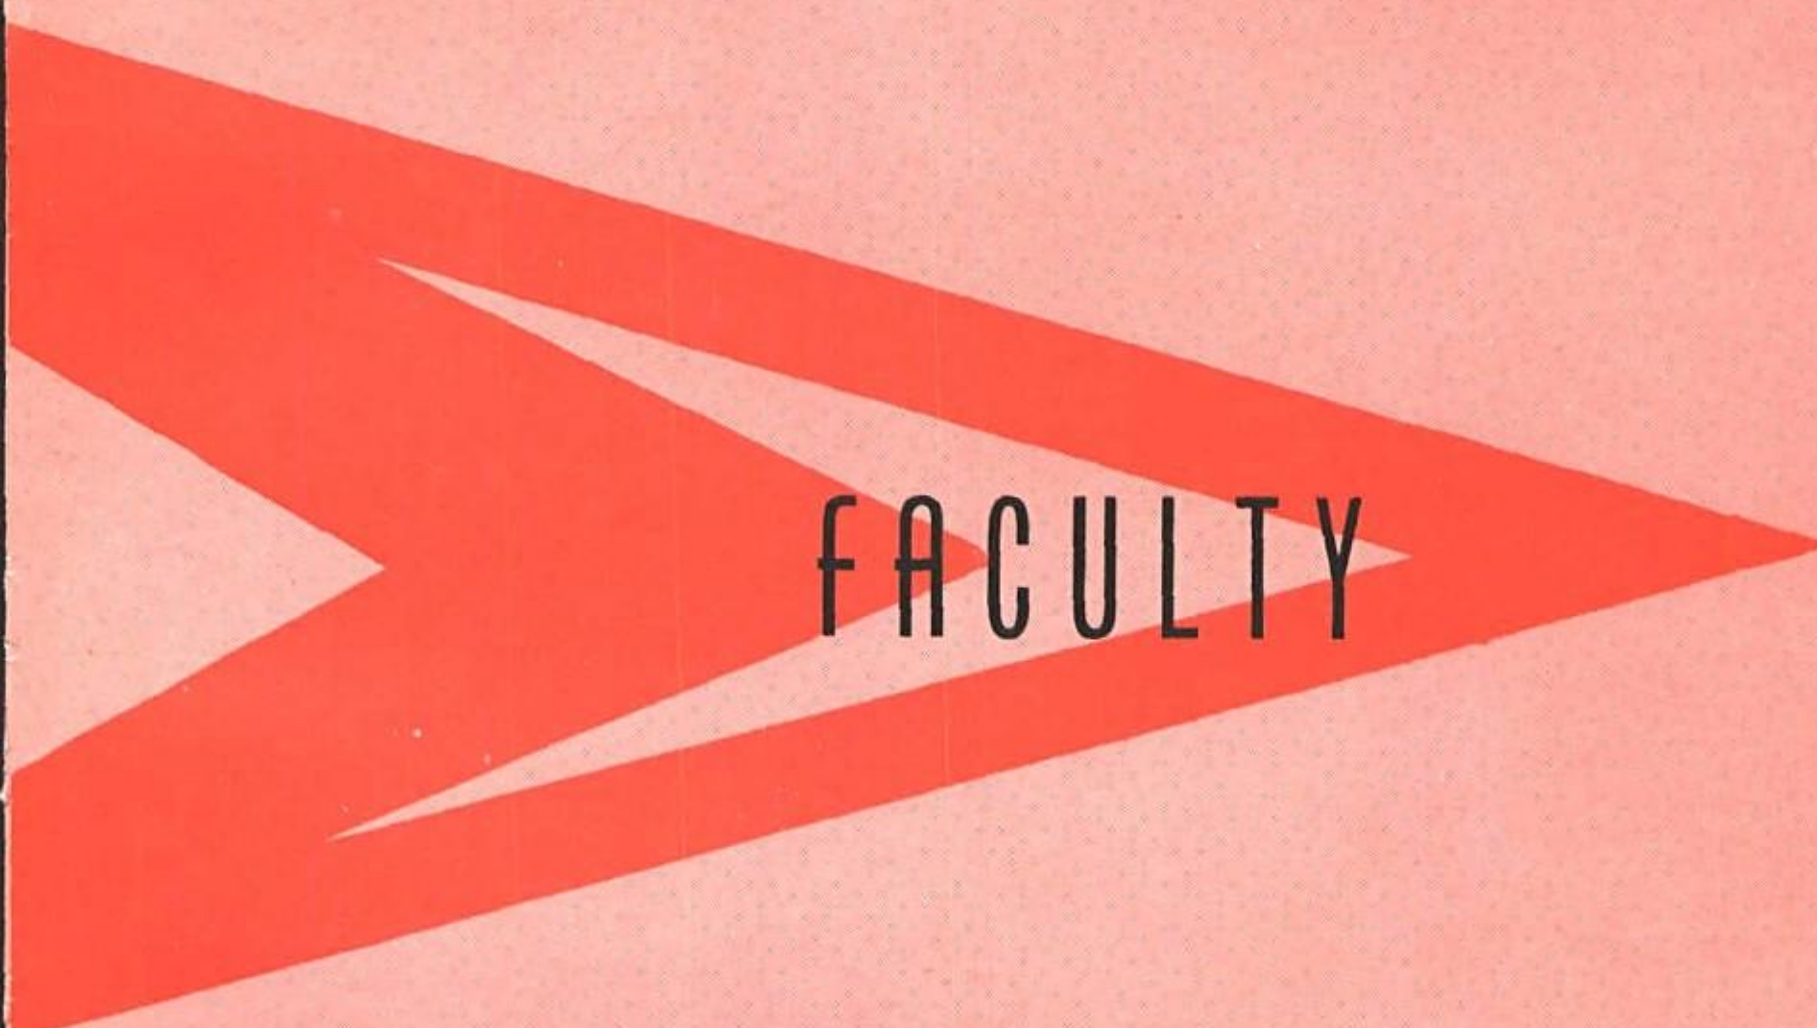

Saints. . .

AUSTIN HALL, bearing the title commonly applied to the Augustinian Friars in Ireland, houses the teaching Fathers of Saint Augustine. In 1953 facilities were added to the then existing monastery to accomodate the increasing number of priests necessary to staff St. Augustine High School.

A large, stylized red graphic on the left side of the page, resembling a jagged arrow or a series of overlapping chevrons pointing towards the right. The word "FACULTY" is printed in black, uppercase letters across the middle of this red graphic.

FACULTY

Very Reverend John R. Aherne, O. S. A. , L.L.D.

Just as virtue increases beneath oppression, so Father Aherne's expert running of the school increases as duties are laden upon him. Father Aherne, Commissary Provincial of the Vice-Province of Saint Augustine, is not only the Principal of "Saints", but he is also the head of the English Department, Faculty Moderator of "The Augustinian," father of "Tradition" and teacher of Honors English. Father's quenchless thirst for the betterment of "Saints" drives him to put the school in a prestigious position it has never before attained. To Father Aherne, the best is never good enough for the school, so he will continue directing it with the diligence, patience, determination and wisdom which has made the school great as it is today.

Administration

MR. JOHN FINAN, our able and respected vice-principal has, in his second year of office, successfully performed the most important and difficult job of disciplinarian. During his extremely busy day, he does such things as: admit late-comers, issue points, assign ground duty, fill out gym excuses, absentee admission slips and an infinite number of other duties. On top of all this he very ably teaches Mechanical Drawing and Algebra. Mr. Finan's fine personality and sense of justice make him one of our most respected and praise-worthy faculty members.

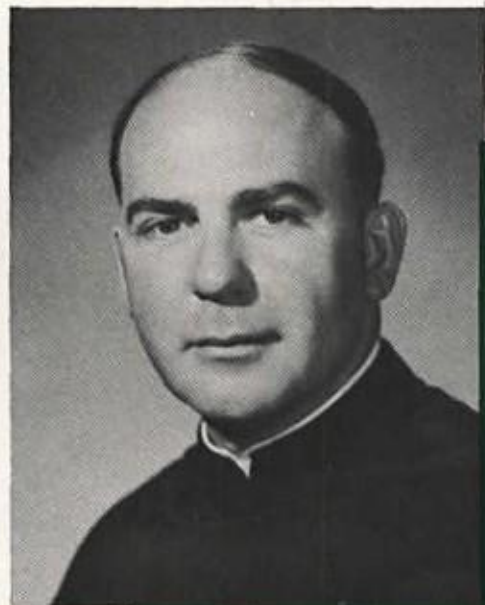

Our faculty,

FR. CHARLES J. DANAHER, O.S.A., smiling and jovial Prior and Procurator, of Saint Augustine has, besides his job of Prior and Procurator, the post of Junior Class counselor, which keeps him busy with the Junior breakfast, rings and jackets. Father is liked and respected by all for his wonderful sense of humor and his tact in handling the classes he teaches. Fr. Danaher will always occupy a warm place in the hearts of all those leaving Saints.

FR. DONALD WILLIAMS, O.S.A., left us and his post as Administrative Assistant to take over a position in St. Thomas Parish in Ojai, California, shortly before the end of the first semester. As a member of the faculty, he taught French and Religion, moderated the C.S.F. and served as director of the Austin Guild. His cheerful greetings and ready humor have been missed at Saints.

Just as a play cannot be a success without the complete co-operation of an unheralded stage crew, so the school cannot be run efficiently without an all out effort by the behind-the-scenes secretarial and maintenance staff.

Saints is fortunate to have a dedicated group of custodians who maintain school spirit by keeping campus grounds and buildings neat and clean.

The secretaries and bookkeeper help by wading through reams of paperwork each semester, leaving faculty members free to devote their time to teaching.

Students and faculty alike are grateful for the services of our secretarial and maintenance staff.

JUNIORS

Excellence is the goal set by the class of '62. The Juniors have the proper aim and the necessary ammunition; academically, socially, and athletically to bridge the gap left by the departing Seniors. Through hard work they have gained a worthwhile asset, experience, which will prove the mold for a great Senior class. Inspired by excellence and strengthened by experience, the Juniors can look forward to the future which gives to them their just reward ... Seniority.

SOPHOMORES

The Class of '63 fought long and hard for the privilege of being acknowledged as upper-classmen. In the past it has displayed to its fellow Saintsman its superior skills in both academic and athletic achievement. And now, spirited by an infectious enthusiasm, it looks forward to the future—a future which its members will certainly make.

FRESHMEN

As is the case each year, the range of the future success of any school is determined by the potentialities of its freshman class. This year's freshman class has indeed shown its remarkable potentialities in the various facets of high school life. In the oncoming years, these promises of still greater achievements will be fulfilled and developed as the class of '64 is welded into able men and true Saints.

It is with a great deal of pride that the Class of '61 can look in retrospect at its accomplishments in its four years of football here at Saints. With a 4-4 record this team can well be considered as one of the more successful in the entire history of St. Augustine High School. Light always dispels fear and strengthens hope! The football record of the Class of '61 has afforded an undeniable ray of light which shall surely usher in the dawn of a new era of football here at Saints: a dawn which will expell fear and introduce a new and vitalized hope in all future Saintsman who will wear the purple and gold on the gridiron.

An electrifying start was had in 1957 when the City Prep League was dazzled by our 4-3-1 record, high-lighted by a 25-18 heartstopper over Lincoln. In '58, Bobo Vitalich, one of this years co-captains, helped the team emerge with a 7-2-0 record — the best in our school's history to that time! Another great triumph of that year was Saints' first victory over Hoover in a thrilling 39-7 conquest. Coach Carter produced our truly greatest football team in '59. We were the only undefeated team in San Diego with a 7-0-2 record. Two games of that year will be immemorial; the last second 13-6 victory over Mission Bay and the 12-12 tie with the S.C.I.F. Champs, San Diego High. This year saw Saints gain the prerogative of being the best defensive team in the city. Another "first" recognition for Saints.

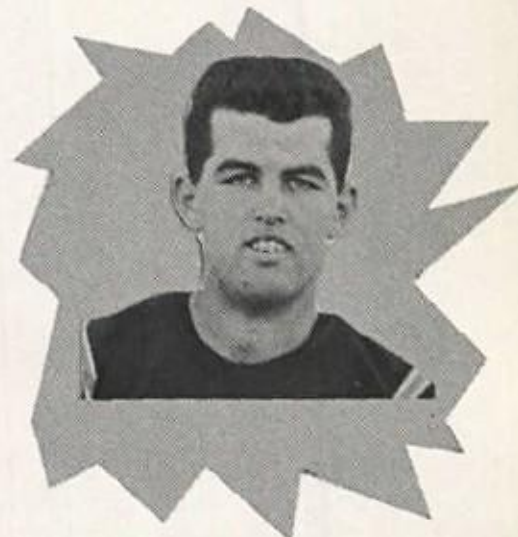

"Dynamic" is the word for this year's football season! Our powerful squad handed San Diego its first loss to an area team since '56, with a score of 14-6. Chula Vista and Mission Bay also felt the power of the purple and gold this year being defeated 20-6 and 26-6 respectively. Lincoln likewise was knocked out of the league race with an 18-14 loss. With this victory we kept our sixth straight and undefeated winning streak alive over Lincoln, which gave us a tie for second place. For the second consecutive year we had the best defensive team in the city.

Thanks can be given to All-Leaguers; Oliver Walker Vic Player, Mickey Frank, Mike Crotty, and Bobo Vitalich for this tremendous season. Not to be forgotten and meritorious of our own all-league congratulations are Wick Hauser, Ray Castro, and Mike Moses together with the entire squad which has made this year's team, Saints' best.

These achievements though great, would not have been so without the untiring and dedicated efforts of two great coaches, and so we say, hats off and thanks to Tom Carter and Joe Galindo.

Football Carnival

For the first time since 1957, Saints participated in the City League Football Carnival. The East was represented by San Diego, St. Augustine, Lincoln, Hoover and Crawford. The West consisted of Kearny, Pt. Loma, Mission Bay, La Jolla and Clairemont. The Saints performed brilliantly in their quarter, but were defeated 6-0 by Point Loma. When the Carnival was over the West went off with a 25-21 upset victory over the East.

Walt Casey

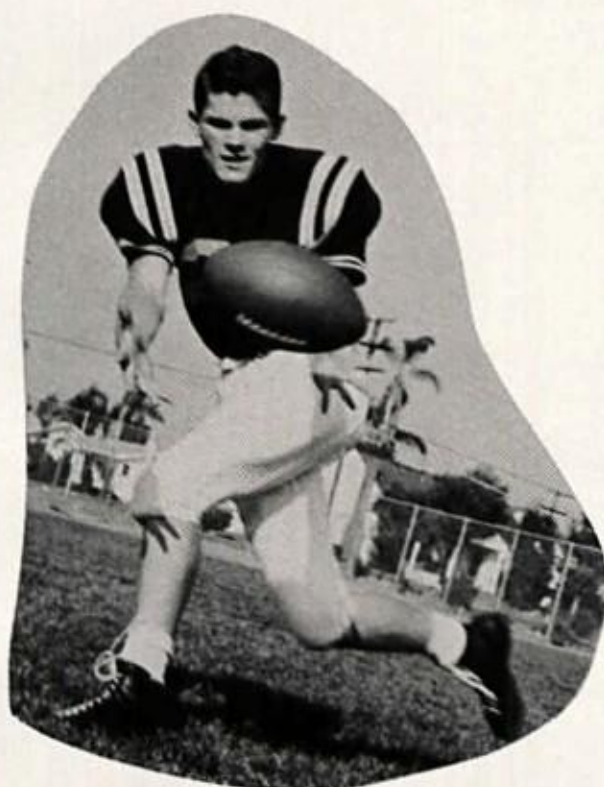

St. Augustine began its 1960 football season by smashing the defending Metro-Champs, Chula Vista, 20-6. Saints struck in the first quarter when Vic Player took a 25 yard pass from Oliver Walker and skipped into the end zone. A plunge by Mike Moses minutes later in the same quarter gave the Saints a 12-0 lead. The Spartans retaliated in the third quarter with their only score of the game. The additional Saints scores came by way of a safety and a TD by Henry Daniels.

Saints vs Mission Bay

The purple and gold's defensive strength showed its true power against the Mission Bay Buccaneers by lengthening our winning streak to its fourteenth undefeated game. The first quarter was dominated by the Bucs who made the first TD of the evening. A brilliant sixty-five yard pass to Bobo Vitalich from Oliver Walker soon tied the game at 6-6. In the second period, a six yard pass again by Walker enabled Ray Castro to put the half-time score at 13-6. Any chance for the Bucs was eliminated when Oliver Walker opened up the third quarter with a five yard scoring run to make the score 20-6. Vic Player then made the margin 26-6 when he went twenty-two yards for the final TD and another win for the Saints.

Saints vs Point Loma

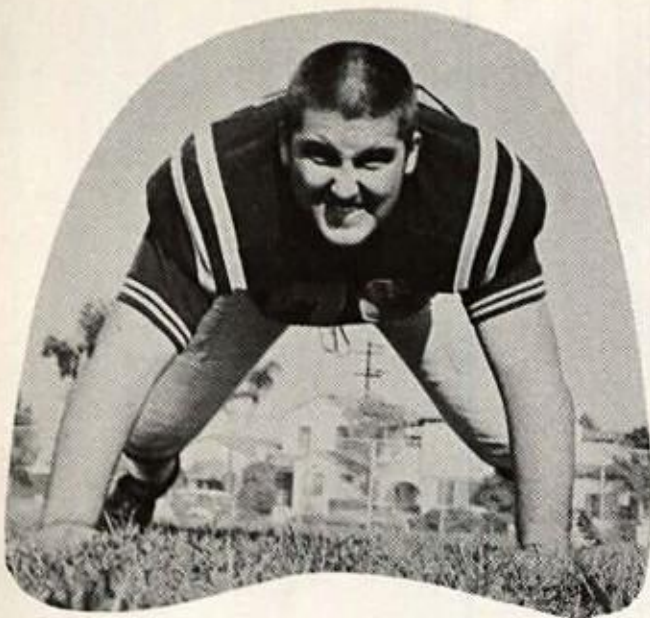

On October 14, Saints traveled to the La Jolla field for our Homecoming game and hosted the undefeated Pointers. Pt. Loma scored early in the first quarter to take a 6-0 lead. St. Augustine quickly retaliated to tie the score 6-6 when Vic Player rambed 15 yards. The homecoming crowd saw our defense halt Pointer drives on our 37, 24, 22, 19 and 1 yard lines late in the final quarter. Point Loma found a hole and scored from the six, thereby giving us a 2-1 season record.

Saints vs San Diego.

For the first time in the history of the school, the Saintsmen beat San Diego High! Saints showed they were in a rugged mood by taking the opening kick-off and rolling for three first downs to the San Diego 43 before being forced to punt. The Cavers, then in possession, could gain only three yards in two plays on the ground. On the third play Mark Lapinski made the first of three pass interceptions and put the ball on San Diego's seven yard line. On the next play Ray Castro charged over for our first TD. Nick Vitalich added the extra point. With two minutes gone in the second quarter Mike Moses hurdled over from the one yard line and Vic Player added the extra point to give us a 14-0 lead. This margin held up until we gave the Cavers their lone TD on the last play of the third quarter. San Diego's Lou White threw a pass which bounced out of the arms of one of our defenders and into the hands of Tom Philips who then went into the end zone. The entire squad can be congratulated for this our greatest victory.

Saints vs Hoover

For the second year in a row Hoover held a jinx over Saints by upsetting us 12-7, they kept us from taking the League Championship. St. Augustine intercepted a pass on the first play of the game and marched 57 yards for our lone TD, with Ray Castro getting the final two yards. Oliver Walker ran for the extra point to give us a 7-0 lead with just seven minutes gone in the game. Early in the second quarter a Cardinal guard scooped up a fumble and ran for their first touchdown. The conversion failed. Late in the same period Hoover marched 47 yards for their final score and a 12-7 advantage. In the final quarter Hoover was stopped on our one yard line. We then marched to their 35 with seconds remaining in the game. The last play of the game saw us drop the ball in the end zone and Hoover walk off with the win.

Saints vs Crawford

In a drenching rain the Saints met the Crawford Colts for our third league game. The first period was battled on even terms. Saints finally got 6 points on the scoreboard in the second quarter. With 15 seconds left, Oliver Walker threw a screen pass to Mike Moses who then ran 45 yards to give us our 6-0 halftime lead. In the third quarter the Colts tied the score with a 20 yard pass play. It looked as though the game would end in a tie, but with seconds remaining the referees awarded Crawford a safety. Even with this loss and a 3-3 season record we were rated tenth among the high schools in the San Diego area.

Saints vs Lincoln

Jake Herron

Saints played its final league game before some 6,550 fans in Balboa Stadium. Our foe was the Lincoln High Hornets. They were rated 3rd, undefeated in league play and expected to defeat us with little trouble. Lincoln got off to a fast start in the first quarter with a 38 yard TD run by Adam Cato and the conversion was good. The Saints came back to score on a 10 yard pass from Oliver Walker to Rick Sherry in the end zone. The attempted conversion failed. Just before the half ended the Hornets tallied again, this time on a pass play. Again the extra point was good and they led 14-6 at halftime. In the fourth quarter Oliver Walker stepped back and threw a pass to John Nettles on the sideline who then threw 45 yards to Rick Sherry in the end zone and we now trailed 14-12. The Hornets marched to the Saints 27 yard line, but the defense tightened and Lincoln was thrown back to their 43. Then, with 1:25 remaining in the game, Lincoln's quarterback fumbled. Vic Player, in his first game in two weeks, charged through the line, picked up the ball and ran 43 yards untouched into the end zone for our final TD and an 18-14 victory over the mighty Hornets. We finished the league season with a 2-2 record and a tie for second place in the Eastern League with Lincoln High.

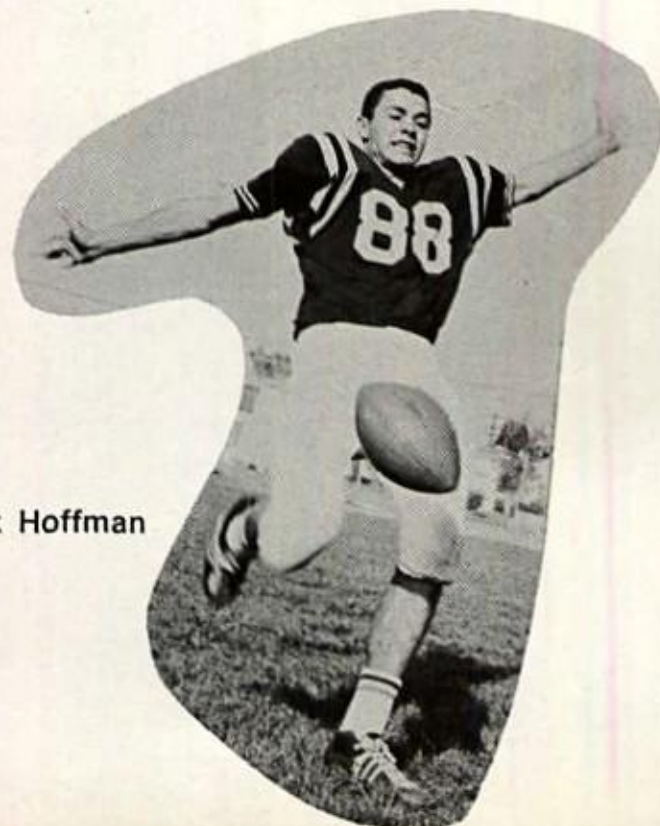

Dog pile!

Saints vs Redlands

For its last game of the season Saints journeyed north to Redlands where we encountered our stiffest opposition of the season. Many members of the team turned in exceptional performances, and the team as a whole worked very well, but the opposition was too powerful, and the Saints succumbed 34-6. Mike Moses ran over the lone tally for the Saints.

J. V. Football

The hope of the future achievements of our high school athletic program is measured by the ability of our Junior Varsity team. And the future hope of our varsity looks great as this year's J. V. posted an outstanding 4-3 record and captured second place in the league.

After a loss the team really began to roll, with four straight victories. The two outstanding games of this season were the smashing of Hoover High 48-12 and the downing of San Diego High 13-12. The latter game ended with us on the Cavers 14 yard line. This marked the first time in our school's history our football team has been able to defeat a San Diego High team on the gridiron. The coaches agreed that it took sheer guts and determination against San Diego High speed to win this game.

The most improved and inspiring player on this years J. V. squad was Mike Petry who filled the positions of fullback and defensive end. Having lost our important quarterback, Bobby Ahern, we were greatly handicapped in our championship game with Lincoln High, with the Hornets winning 6-0.

With men like Mike Domenico, Richard McColl, Randy Ceiplis, Joe Burns, Jim McMahan, John LaMadrid, Don Stafford, Pete Carter and Paul Tuomainen, who played four positions with exceptional skill, the varsity team next year will be nothing but outstanding.

Special recognition must be given to Steve Wilkinson who was very instrumental in our victory over San Diego High during which game he broke his leg.

Coach Ben Schwartzwalder is the center of interest as he relates one of his humorous experiences to Father Aherne and other noted guests at the Appreciation Night Banquet.

Appreciation Night

On January 19, 1961, Saints presented the annual Appreciation Night Banquet in the Palm Room of the U.S. Grant Hotel. This year's guest speaker was Ben Schwartzwalder, head football coach at Syracuse University and 1959's National Collegiate Athletic Association "Coach of the Year." Master of Ceremonies at this event was Moose Krause, Athletic Director of Notre Dame University.

Again this year, the high school football "Coach of the Year" was named. He was Robert Embrey of Escondido Union High School.

For the fourth year in a row our Cross Country team has participated in City League meets. Although defeats outnumbered the victories our harriers were never out of the running. The man with the best record was Dave Virgil, with Barry Sandberg a close second. Other outstanding men on this year's team were Richard Wheeler, Dave Snell, Paul Martin, Steve Bovee, and John Manzeck. Since the underclassmen constituted the bulk of the squad, Coach Harkel's hopes are high for next season.

Manzeck takes the last hill.

FRONT ROW (L. to R.): Bill Usher, Chuck Hoffman, Pat Barry. BACK ROW (L. to R.): John McCarthy, Lloyd Logan, Ed Applegate, Hugh McConnell, Coach Flood, Bill Fender, John Nettles, Mark Lapinski, Mark Yavorsky, Richard Verlasky.

A lot of inexperience gives a profile of the 1961 varsity basketball team. Their mediocre 4-18 record belies the real talent present in the hoopsters. Teamwork and an all-out effort was stressed by Coach Tom Flood. As a result, his men won some great victories during the year. They gave powerful Hoover, CIF Champs, quite a scare before running out of gas in the closing minutes losing only by a score of 51-45.

The team was unpredictable but exciting to watch. Win or lose, they played the traditional "horserace" style characteristic of all St. Augustine teams. No one will ever forget the elation that swept the campus when we upset second-place Lincoln 56-51. But the game of the year was when the purple and gold crushed San Diego 72-55, to give us a fourth place tie with the Cavemen. Teams such as Hoover, Point Loma, Lincoln, and other strong fives filled the year's schedule.

Co-Captains Pat Barry and Chuck Hoffman finished their four years with a good season; Hugh McConnell, a junior, kept us in many games with his hot-shooting, which gave him the distinction of being the league's 6th leading scorer. His greatest night was against San Diego when he scored 35 points. Other regular players were Bill Usher, John Esquibel, Mark Yavorsky, Richard Verlasky and John Nettles.

Under the capable leadership of Coach Dick Shea, the junior varsity basketball team experienced one of its best seasons in many years. With an 11-7 record the J.V. squad can certainly be proud of its fine showing. We congratulate Coach Dick Shea for a job well done.

Such outstanding men as Bob Spence, Mike Shea, John Santos, Gary Hoffman, Paul Tuomainen, and John Antl comprised the core of the junior varsity team. Next year we can expect great things from these men.

St. Augustine's J. V. baseball brigade has made itself felt throughout the city by compiling an admired record under the able direction of Coach Dick Shea.

The squad opened the season by walloping Mission Bay 15-3. Other victories this season have been over Lincoln 4-3, Hoover 6-5, and Crawford 6-5. The preceding is a coverage of the games up to March 24, 1961.

Speed and strength became the object of new emphasis as the track and field program entered the second year of its recent renaissance. Under the tutelage of Coaches John Harkel and his assistant Dallas Evans, the team provided a spirited sequel to last season's performance.

Men like Henry Daniels in the relay and 100 yard dash, Richard Wheeler in the pole vault, Jim Moore in the 100 yard dash and Rich McColl in the high hurdles, helped the "A" track team in their fine performances.

We thank Coach John Harkel and his fellow coach, Dallas Evans, for revitalizing a team that possesses a hitherto hidden potential.

Field

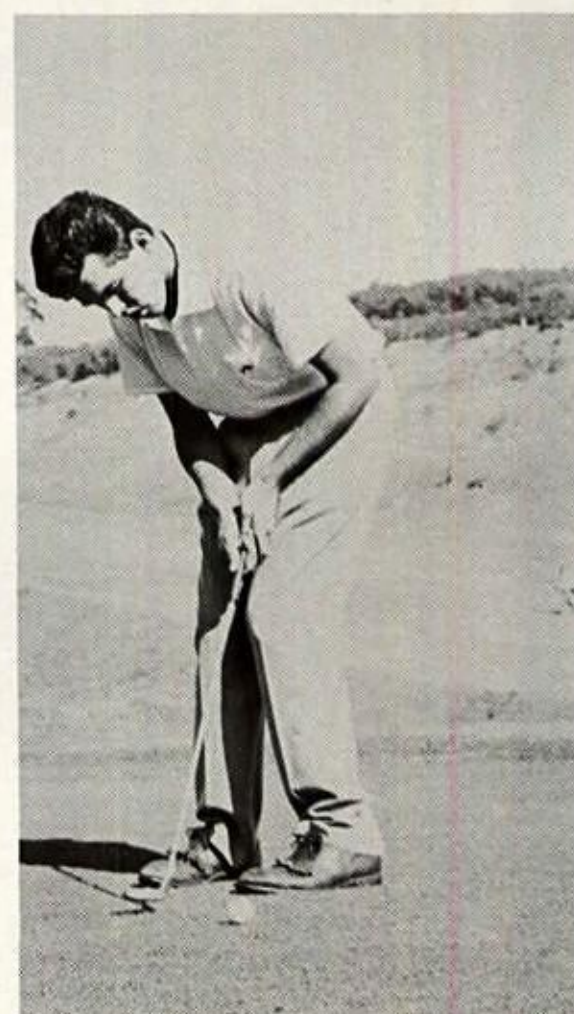

This year Father Gallimore has supplied the impetus for the making of a fine golf team, a team so astute that it has compiled a 4-0 league record and earned first place in the Eastern League. With such men as Joe Byrom, a junior, and Mike Crotty, a senior, the golf team has attained the reputation of being one of the best squads in the San Diego area. Though this sport has gained little recognition at Saints, we feel that its presence has added greatly to the prestige of St. Augustine High School.

Though this year's team got off to a slow start in the Eastern League, the racket squad made its presence felt in the remaining league games. With such men as Ruben Carriedo, second ranked in the city, Dan McIver, Bob Lamb, Rudy Caballero and Frank Ragen, the tennis team defeated such teams as Lincoln High and Mission Bay High. Under the direction of coach Ray Bonomo, the tennis team achieved a record of which it can be proud.

Turkey Trot

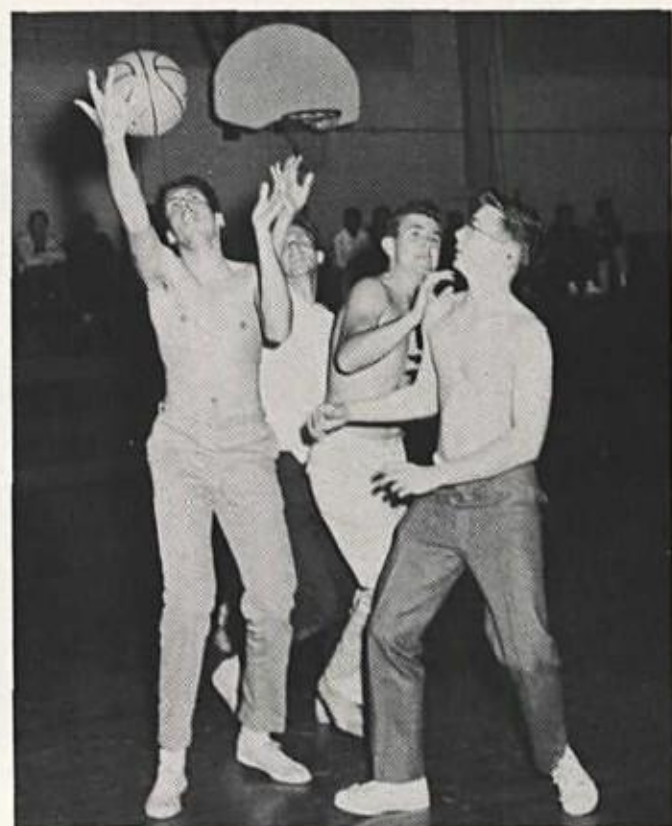

On November 23, the day before Thanksgiving, Saints held its annual Turkey Trot. Approximately 50 eager candidates entered this year's outing, which was a run of 1.7 miles. Tyler Messer edged Mike Furniss in an exciting race for the turkey. Furniss received a chicken for his efforts and John Raynoha, who finished third, was rewarded with a live duck.

ACTIVITIES

Spiritual

The element that makes Saints differ from secular schools is the fact that it has an active spiritual life. The whole program of the school is designed to convey the message that all men are dependent on God and that they must conduct their lives according to His laws. Thus, the Christian philosophy of life is presented to the student.

Holy Mass offers, every Friday morning, the opportunity for frequent Confession and Communion, and a campus chapel encourages fulfillment of spiritual needs.

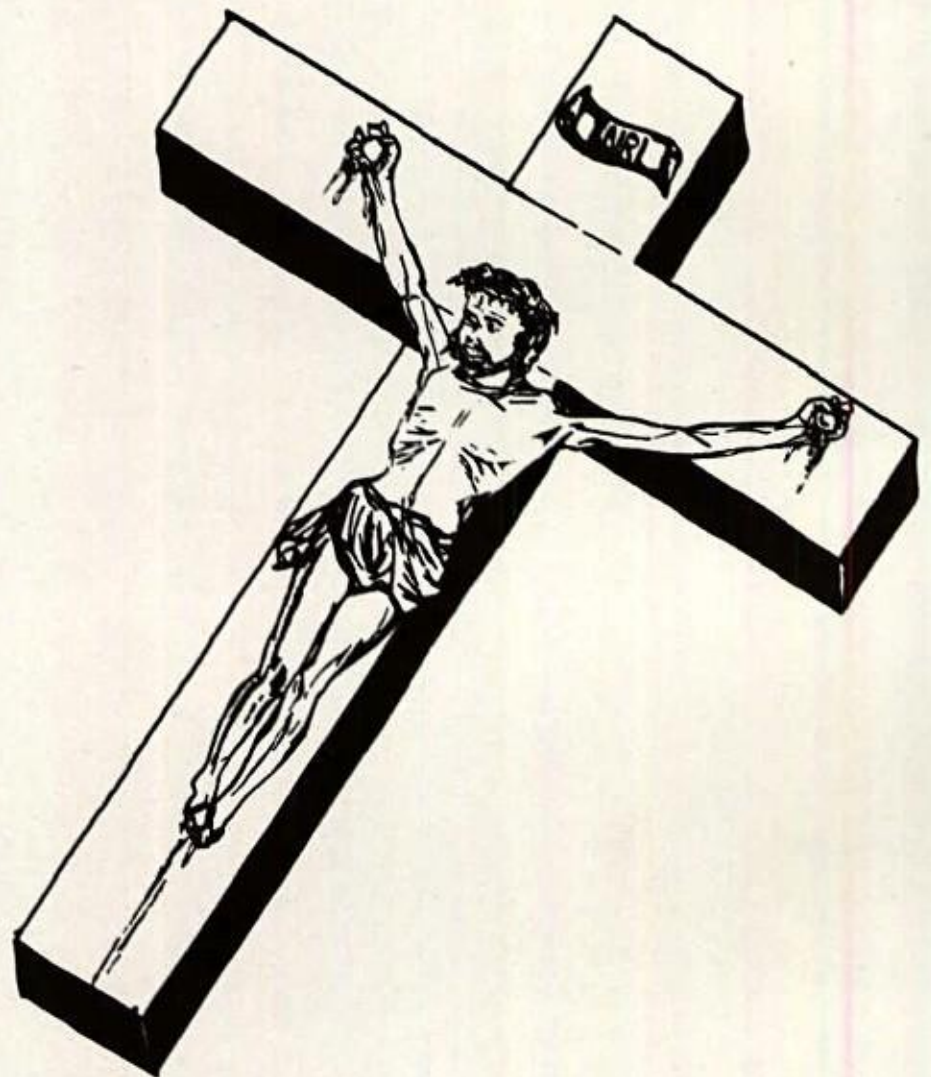

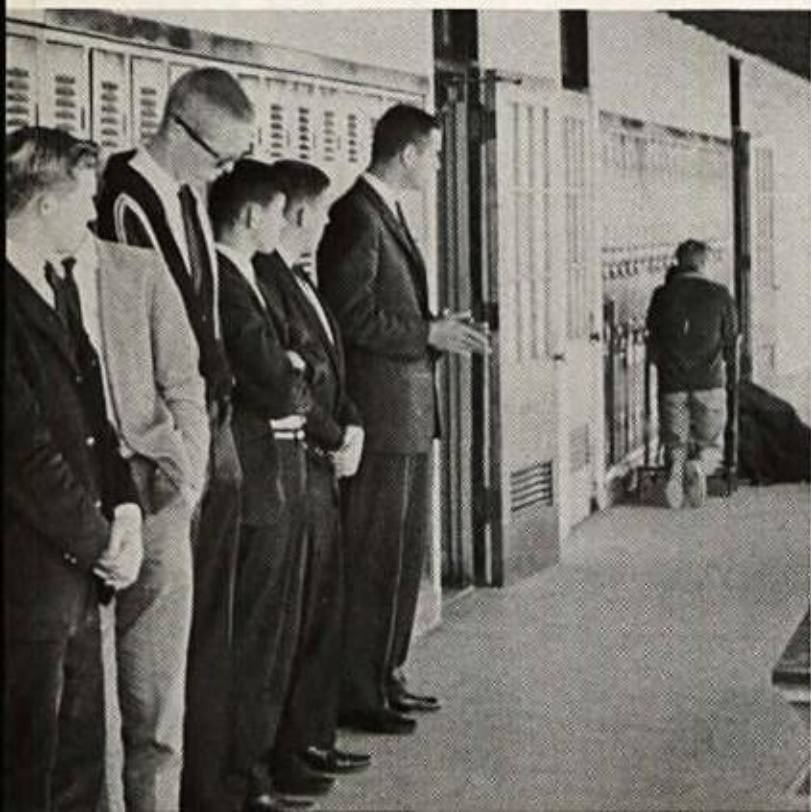

To help the student in his spiritual life, Father Churbuck, the school chaplain, was available for individual counselling. Father also conducted personal interviews with the members of the senior class concerning religious vocations.

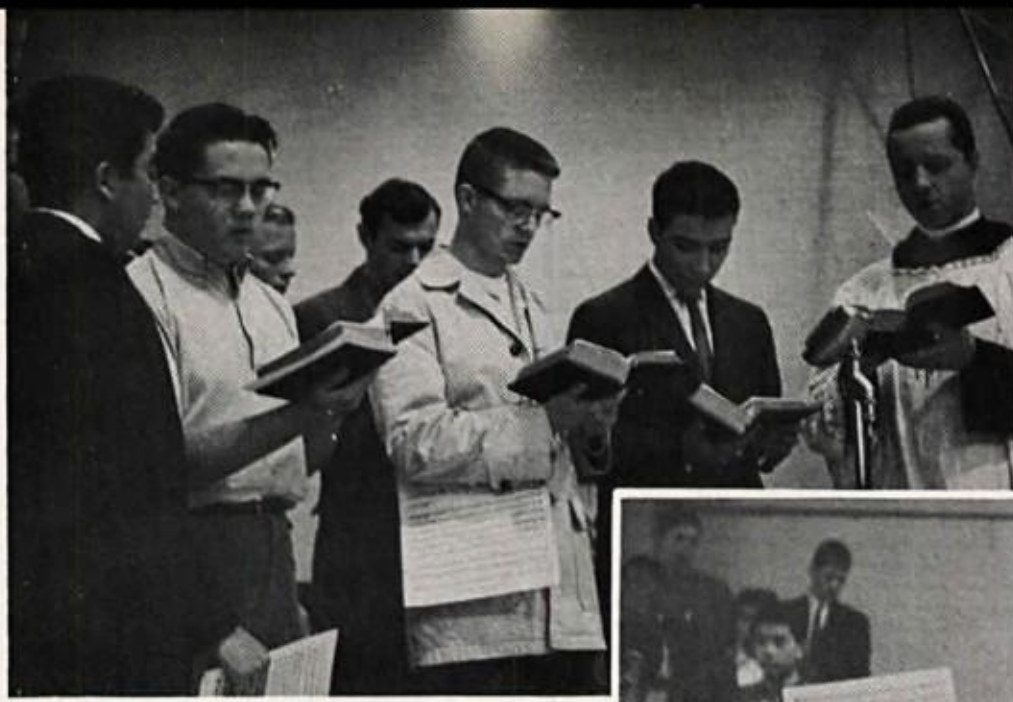

The Days of Recollection, one in February and another in May, were very effective in reminding the students of their religious obligations.

Associated

Student Body

The Associated Student Body Council, the voice of the student in school government and extracurricular affairs, is composed of the elected Associated Student Body officers and the class officers. The Council is responsible for regulating school dances, pep rallies, elections, intramurals, appropriating ASB funds, and maintaining relations with other schools and organizations.

Joseph Sullivan, a senior who won the respect and confidence of his fellow students, served as President of the Student Council. He was capably assisted by Allan Gontang as Vice-President, Bruce Somers, in the office of Secretary, and Thomas Delaney as Treasurer. Commissioner of Athletics Richard Sherry handled the intramurals, and John Benton served as Commissioner of Elections. Continually supervising and directing the officers in the fulfillment of their duties was Father Anthony Wasko, O.S.A. who infused varied and fresh ideas into this year's A.S.B. program. Among the projects introduced this year have been the use of girl cheerleaders for the games, a greater number of dances, added senior privileges and a greater participation of the freshmen in the school government.

The outstanding social function of the Council was the annual ASB Ball, presented in the magnificent Grand Ballroom of the Hotel Del Coronado. The Homecoming Day activities were also directed by the Council.

The primary aim of the Council has been to encourage and emphasize student responsibility in school activities, whether they be academic, athletic, school or extracurricular. The Council has realized that a true and loyal school spirit depends on active leadership, and this has been the motivating idea through the school year.

Senior Court

Senior Court members (L to R): Frank Gammicchia, Ray Coates, Bobo Vitalitch, Vic Player, Rick Sherry, Al Gontang, and Bob Estrada.

The Senior Court is a phase of student government which enables students to aid school discipline. The discipline office this year, as in past years, invested the power in certain members of the senior class to try cases of student felonies and misdemeanors on the school grounds, then pass sentence. Sentences range from written codes to ten point penalties for not complying with a punishment. A case is brought before the court by a summons issued by a senior vigilante. The vigilance committee is comprised of the senior members of the Lettermen's Club and members of the court.

Vigilance Committee (L to R): Rick Sherry, Wick Hauser, Oliver Walker, Ray Coates, Louie Palestini, Al Gontang, Bobo Vitalitch, Mickey Frank, Bob Ramos, Frank Gammicchia, Bob Estrada, Pat Barry, and Vic Player.

The woes of Senior Court.

Chess Club

The Chess Society, moderated by Mr. Bonomo, and under the direction of President Claude Jones, completed its seventh year of intramural competition. Chess games were scheduled twice a week with two noon recesses allotted for each game. Early in the school year the Chess Society's membership swelled to its maximum capacity of twenty-six members. The Society, in the comfortable surroundings provided by the physics laboratory, pursued its aim of increasing interest and skill in the ancient game of chess. The ladder system of rating enabled the members to learn the fundamentals of the game in accord with the grand traditions of the master.

Completing its fourth year as a campus organization, the German Club, moderated by Mr. Gerald Weber, has continued its primary aim of fostering a knowledge of the German language and customs. Juniors and Seniors comprise the organization's membership. Serving as president of the club is John Asher with Robert Bortfeld as vice-president and Gerald Riker as secretary-treasurer. The club's schedule included joint outings with Our Lady of Peace Academy and subscription to German magazines.

German Club

Lettermen's Club

In their debut as a formal society, our letter-bearers have shouldered numerous responsibilities, officiating at the track meets and intramurals. In addition, all faithfully serve on the Senior Vigilance Committee.

Led by Mr. Whittaker, they fulfilled their avowed purpose of enhancing the value of the Varsity Letter through raising standards for the bestowal of the purple and gold letter. Future plans include joint meetings with other schools as well as exclusive social affairs.

Behind these decisions were President Vic Player, Vice-President Pat Barry, Secretary Rick Sherry, and Treasurer Bill Usher. It has been Bill's outstanding guidance that has provided a firm foundation for the perpetuation of this fine organization.

Working with expensive donated equipment, the ambitious members of the Radio Club have made significant progress in furthering electronics among interested students. Activities include Morse Code practice, operating a radio amateur "ham" station and studying electric theory. Although the members had a late start, Mr. Ramon Bonomo, the club's enthusiastic faculty moderator, helped to make it a prominent organization around campus.

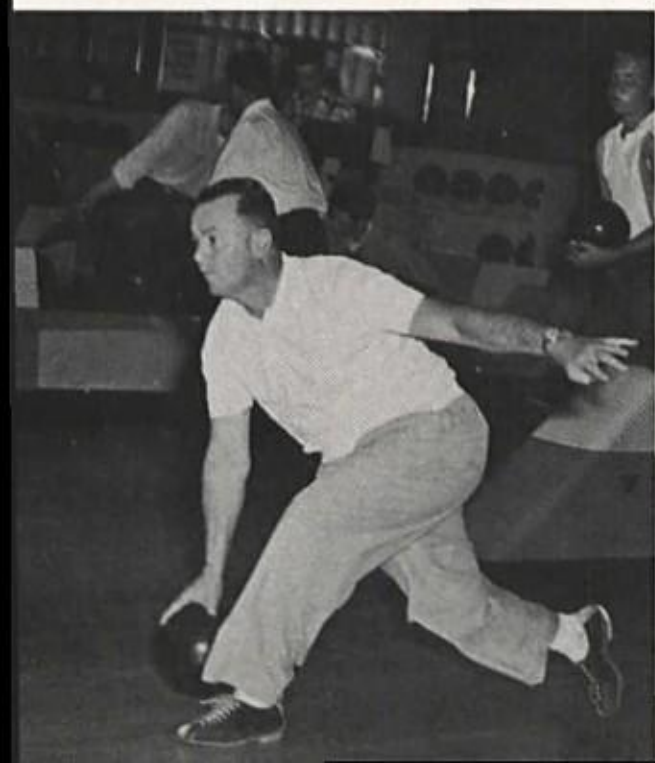

Radio Club

Radio Club members (L. to R.): Mike Camarata, Mike Whitney, Chuck Storie, John Pochodowicz, Len Weber, John Alkazin, Richard White, David Chevillon, and Mr. Ramon Bonomo.

Bowling Club

Following the example of last year's bowling squad, our second pin-masters team remained in close competition by undermining a Hoover team for temporary laurels. Every opportunity for practice is taken, and Wednesdays see the boys taking over Aztec's lanes for a heated session of pin splattering under the critical eye of Fr. Berra. Governed by President Bill Dust and his executive staff of Bob Corty, Ron Hammond and Jim Shettig, Saints Bowling Brigade has remained a member of the American Junior Bowling Congress and it thereby entitled to multifarious benefits.

Glee Club

Re-instituted this year, the Glee Club draws for its membership on the Glee Class, conducted by Mr. McLaughlin. The student body was treated to an exhibition of their talent at the Pep Club's Christmas Show where they sang some Yuletide tunes from their ever increasing repertoire.

Schola Cantorum

Schola Members (L to R): Fr. Neely, Dennis Gorsich, Bob Estrada, Dennis Ebel, Dan Dugan, and Mr. Bonomo.

The Schola Cantorum, now in its fourth year, has continued its tradition of performing Gregorian Chant faithfully. The chief charm of the group, taught and led by Father Harry Neely, O.S.A., is its informality; it has no dues, and no regular meetings, but nonetheless it remains a close organization through the devotion of its members. The avowed goal of the Schola is to encourage the singing of the student body at Mass for the greater glorification of God.

Music Club

Music Club (L to R): Mr. McLaughlin, Mr. Wolff, Dennis Ebel, Bob Estrada, Nick Bridger, Jim Fay, Dan Dugan, Claude Jones, David Chevillon, Tom Reeves, and Dennis Gorsich.

Continuing in its second year, the Music Club, under the direction of Mr. Wolff, is the rendezvous for all students interested in classical music. This year, the club members investigated the science of musicology—that is, they traced the development of musical forms from plainsong onward to contemporary composition, with emphasis on the Baroque period. In order to do this more easily and to devote more time to the study and appreciation of music, the club is organized on a purely informal basis.

California Scholarship Federation

Since Saints received its charter from the California Scholarship Federation in 1956, our school's branch of this honor society has proved to be a real incentive to all of the student body.

This year's organization can claim five life members; Daniel Dugan, John Benton, Dennis Ebel, Tony Laliberte, and Mike Crotty. These seniors fulfilled life membership requirements by being in the C. S. F. four times, membership being by semesters.

A tour of Naval Electronics Laboratory and participation in two regional conferences in the Los Angeles area were some of the organization's varied activities.

TRADITION

(L. to R.): Linda Steumke, Cynthia Cunningham, and Janet Frye.

(L. to R.): John Calhoun, Bob Lamb, Tony Laliberte, Paul Langlois and Jerry Stirnkorb.

Doris Daellenback, Golria Grosso, and Judy Rosso.

This year occasioned an addition to Saint's program of co-curricular activities in the form of a literary magazine entitled **TRADITION**. **TRADITION** is intended to provide a forum for the creative writing talents of the students of St. Augustine, Rosary, and the Academy of Our Lady of Peace high schools.

Virtually every field of literary endeavor is represented in its thrice-yearly editions. Poetry, essays, short stories and book reviews constituted, in the main, the first issue which appeared in February.

In a preface to the pilot issue, Fr. Aherne stated the aims of **TRADITION**. He said that the publication would devote itself to the development of its writers' understanding of the Christian Heritage, not by confining them to the letters of tradition, but by encouraging them always to observe its spirit. He further expressed the hope that whatever form its literature may assume, or in whatever style its ideas may be expressed, **TRADITION** will develop possessed of the stamp of the Judeo-Christian ideals, upon which our civilization is based.

Augustinian Editors at work.

The Augustinian

This year's AUGUSTINIAN staff and editors can take pride in their accomplishments. The AUGUSTINIAN achieved its status as a monthly publication, and the lay-out of its pages has taken on an air of balance with news stories having a decidedly professional journalistic touch.

The element of success in the newspaper seems to be the experienced help given by Mr. Harry Monahan, a reporter for the San Diego Union, who gave to the staff a productive series of lectures on journalistic style.

The editorial triumvirate which held the responsibility of direction was headed by Dennis Ebel, Editor-in-Chief, John Somers, Sports Editor, and Daniel Dugan, Features Editor. La Mont Mitchell led the News Staff; Don Birt was Business manager; Nick Bridger acted as Rewrite Editor; and Tony Laliberte was Photography Editor.

The members of the News Staff were: David Canedo, Frank Gammicchia, Barry Martinson, Ken Sadauski, Walt Steffan, and Bob Vinton. The Features Staff included: John Benton, Bob Lamb, Paul Langlois, Tom Reeves, and Joe Sullivan. Writers for the Sports Staff were: Mike Cihak, Mike Crotty, and Bob Lindseth. Members of the Rewrite Staff were: David Chevillon, Leo Sullivan, Jim Fay, Paul Taylor and Len Weber.

Editors of The Augustinian (L to R): Don Birt, Nick Bridger, John Somers, Dennis Ebel, Dan Dugan, Tony Laliberte, and La Mont Mitchell.

(L. to R.): Chuck Whitney, Tony Laliberte, Rudy Ordone, Nick Bridger, Mike Bujazan, and Don Birt.

(L. to R.): Larry O'Connor, Barry Martinson, Wink McColl, and LaMont Mitchell.

Saintsman

This year, the SAINTSMAN staff has made every deadline date given them! This is something that has never happened before at Saints. Those responsible for this fete are Tony Laliberte and Rudy Ordone, the Co-Editors-in-chief. Winston McColl worked as associate editor and doubled with Donald Birt as sports co-editor. Charles Whitney took the post of lay-out editor. As the activities editor, Nicholas Bridger oversaw the activities of the clubs and associations, while Michael Bujazan, personals editor, headed the Senior Write-ups staff. The faculty co-moderators, Father McLaughlin and Father Wasko, gave advice and journalistic skill to the entire production.

Mu Alpha Theta

Moderated by R.Adm. Paul F. Dugan, (USN Ret.), this year's Saint's chapter of the Mu Alpha Theta, a national high school mathematics association, proved to be most active.

For the first time, the club set up an associate membership system whereby students ineligible for Mu Alpha Theta would be able to participate in some of the organization's activities. Several of the club's members competed in several mathematics contests such as the Occidental College Math Field Day, in which member Robert Loya placed, The Mathematics Association of America Examination, and the Convair Astronautics Mathematics Contest. Other aspects of this year's agenda included examining some of the modern developments in mathematics and organizing field trips to local scientific laboratories.

Patricia Lopker receives tongue-lashing from John Glenn.

THE LITTLE FOXES, a three act play by Lillian Wellman, was presented by the Senior Classes of St. Augustine's and the Academy of Our Lady of Peace. Father Aherne casted and directed the joint production.

The scene was laid in a small town in the South. Three brothers, Ben (John Glenn), Oscar (Kenneth Royce) and Leo (Robert Baumgarten) and their sister Regina (Patricia Lopker) are trying to persuade Regina's husband, Horace (Robert Padberg), to buy an interest in a textile mill. He refuses their offer and they are forced to use crooked means to obtain the money.

Other students in the play were Ann McEver as Berdie, Margaret Wolff as Alexandra, Yvonne Garcia as Addie, Paul Nacozy as Cal, and Daniel Preston as Marshall. John Glenn won the Drama Award for his acting in the play.

Stage management was handled by Mr. Wolff.

St. Augustine Marching Band

Brisk in step and musical in manner, the band has continued this past year in its traditionally fine representation at numerous concerts and marching engagements. Under the experienced direction of Mr. Henry Frabotta, the band and its able drum major, Frank Steinauer, has made colorful appearances in concerts such as the All Western Band Review in Long Beach, and the annual Maytime Band Review in National City. Playing at the football and basketball games, at the various San Diego parades and at the well prepared variety show; this successful group has gained in prestige and added greatly to its superior reputation throughout Southern California.

Pep Club

Four years ago, in order to promote and carry on school spirit among the students here at St. Augustine's, the Pep Club was organized. Since then it has become one of the largest and certainly one of the most popular organizations on campus. The S.A.-P.S. has as its duties the making and distribution of posters, banners, ribbons, run-throughs, decals, and various other activities connected with increasing school spirit.

Under the direction of Father Gallimore faculty moderator, the numerous tasks of the Pep Club were carried out in an outstanding manner, with personal enthusiasm and spirit by its members. The club was headed by Chuck Whitney as President, Ron Rinder as Vice-President, Mike Greenwald as Secretary, and Rudy Ordonas as Treasurer. Other members of this year were: Birt, Champion, Sawaya, Martinson, Sullivan, Fitzgerald, Rinder, Lizarraga, O'Connor, and Buchanan.

Pep Club officers (L. to R.): Rudy Ordonas, Mike Greenwald, Fr. Gallimore, Don Birt, and Chuck Whitney.

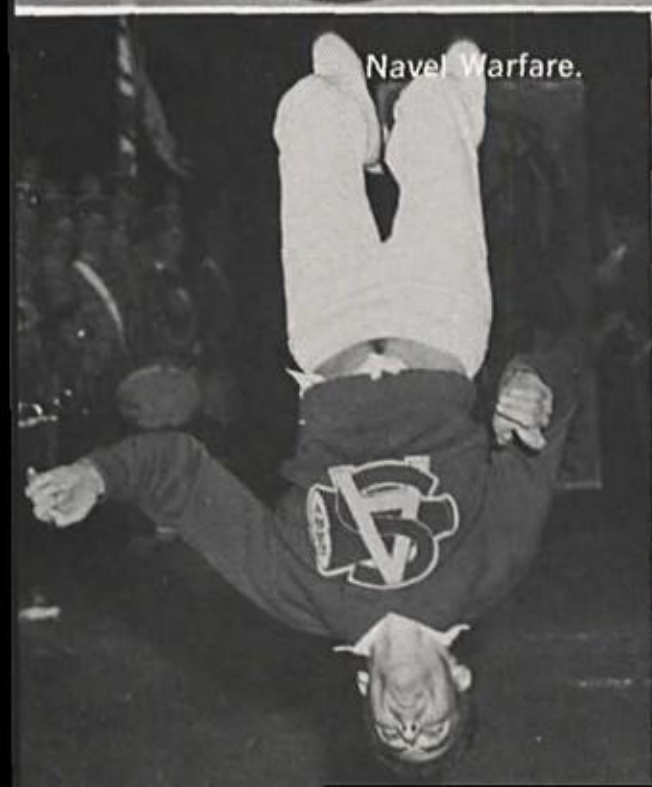

FRONT ROW: Margie Sutter, Marilyn Fischer, Eileen O'Leary, Connie Gurno. CENTER: Ron Kinninger, Larry O'Connor, Mike Buchanan. BACK ROW: Don Birt, Gary Sawaya.

"Thanks for a job well done," is a phrase well deserved by this year's group of cheerleaders. Not only did they bring out the spirit and enthusiasm in the stands but they were loyal in all kinds of weather. Heading the list is our three year veteran and head cheerleader Don Birt, who was ably assisted by another senior, Gary Sawaya, and underclassmen Ron Kinninger, Ed Becker, Mike Buchanan, and Larry O'Connor.

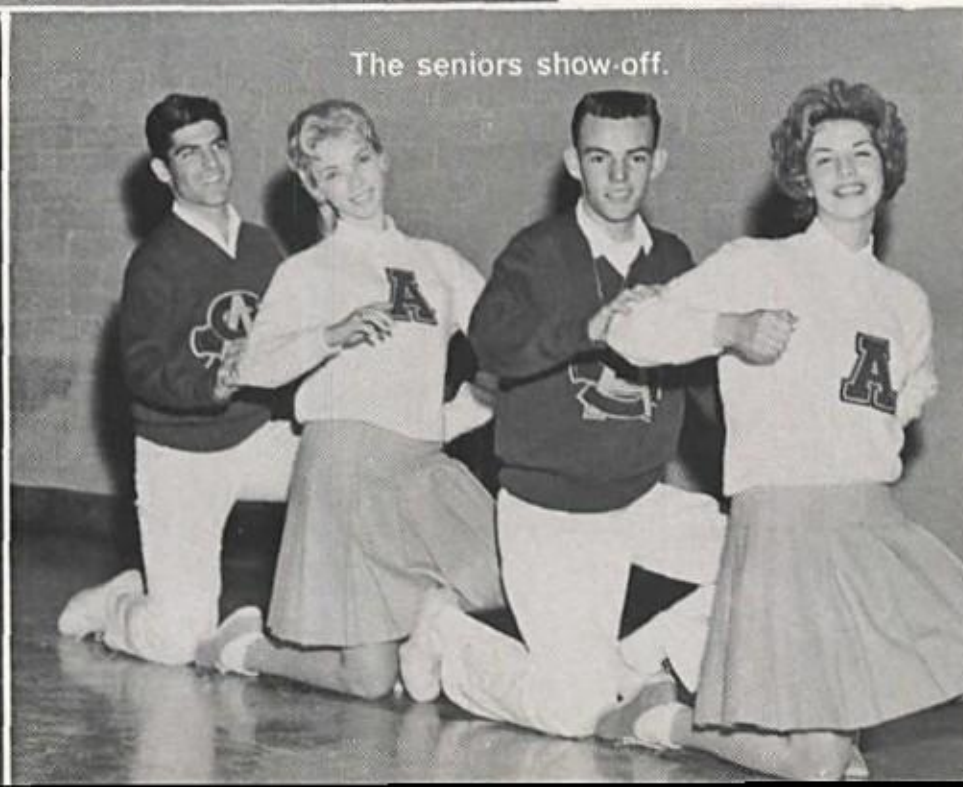

New reason for enthusiasm came this year with the addition of four girls to the ranks of cheerleaders. They were Eileen O'Leary, Marilyn Fischer, Margie Sutter and Connie Gurno who combined together to complete the squad.

The biggest thrill of the season for this group was the night Saints defeated San Diego High School on the gridiron, a night which they will never forget.

This year's well organized Father's Club, under the direction of Father William Gallimore, continued its fine record of achievement for Saints. Besides holding the annual Football Banquet and conducting the annual Father and Son night, the Dad's Club sponsored and chaperoned the "Easter Bunny Hop." Thanks to the Dad's Club, a deserving freshman receives a scholarship to Saints.

Austin

The Austin Guild, composed of Saintsmen's mothers, has done a splendid job again this year. The club, guided by its President, Mrs. Phyllis Crotty, met every last Monday of the month at St. Patrick's Hall. At these meetings, different members of the faculty would inform the club's members of the various aspects of "Student Life" here at Saints. Some of these discussions were headed by such speakers as Mr. Wolff, Fr. Williams, Fr. Churbuch, and our school principal Fr. Aherne.

The whole existence of the Guild is permeated by a spirit of self-sacrifice and dedication to Saints, which can be seen by the various activities they sponsor. The Austin Guild this year has done a splendid job in sponsoring its various activities, the first of which was a successful home card party given during November. The next, which proved to be a huge success, was the annual Fashion Show on February 10, at the El Cortez Hotel. The Guild's final activity of the year was the sponsoring of the annual Junior Breakfast.

TRUTH CRUSADE WINS VICTORY IN ARTISTIC CONTROVERSY

ONE of our favorite faculty members, the noted artist Leonardo Von Zeber, has announced to his 4B class that no more free art shows will be given. The painter will probably say that "They are incapable of understanding my deep meanings". Whatever his reason, his students are glad to regain the right to choose their own form of visual entertainment. After all, you can turn off a TV, but you can't turn off...

Alumni officers and moderator (L. to R.): Mr. Mascari, Fr. Keane, Mr. Rinder, Dr. Erzinger, and Mr. Ohara.

Saints again is indebted to the efforts of the Alumni Association, with Father Keane as moderator, for their fine support. They made possible the Thirteenth Annual Football Prom, presented this year at the Hotel Del Coronado. During the Prom, Victor Player and Nicholas Vitalich were presented the Outstanding Back and Outstanding Lineman awards, respectively. The association also sponsored the annual Parochial School's Basketball Tournament, held in Saint's gym during the Christmas vacation. All year round they provide trophies for the winners of the intramural sports. It is also through the efforts of the Alumni Association that a number of scholarships to St. Augustine are presented to deserving students.

Fr. Wasko celebrates Mass

Homecoming

The 1960 Homecoming Day began with Mass celebrated by Father Anthony Wasko. A pep rally later in the day attracted many alumni, and an encouraging talk was given the team by Carlton Bledsoe and Tony Gilham of the Class of '60. Father Aherne inserted his classic speech while John Glenn added a touch of Irish Humor.

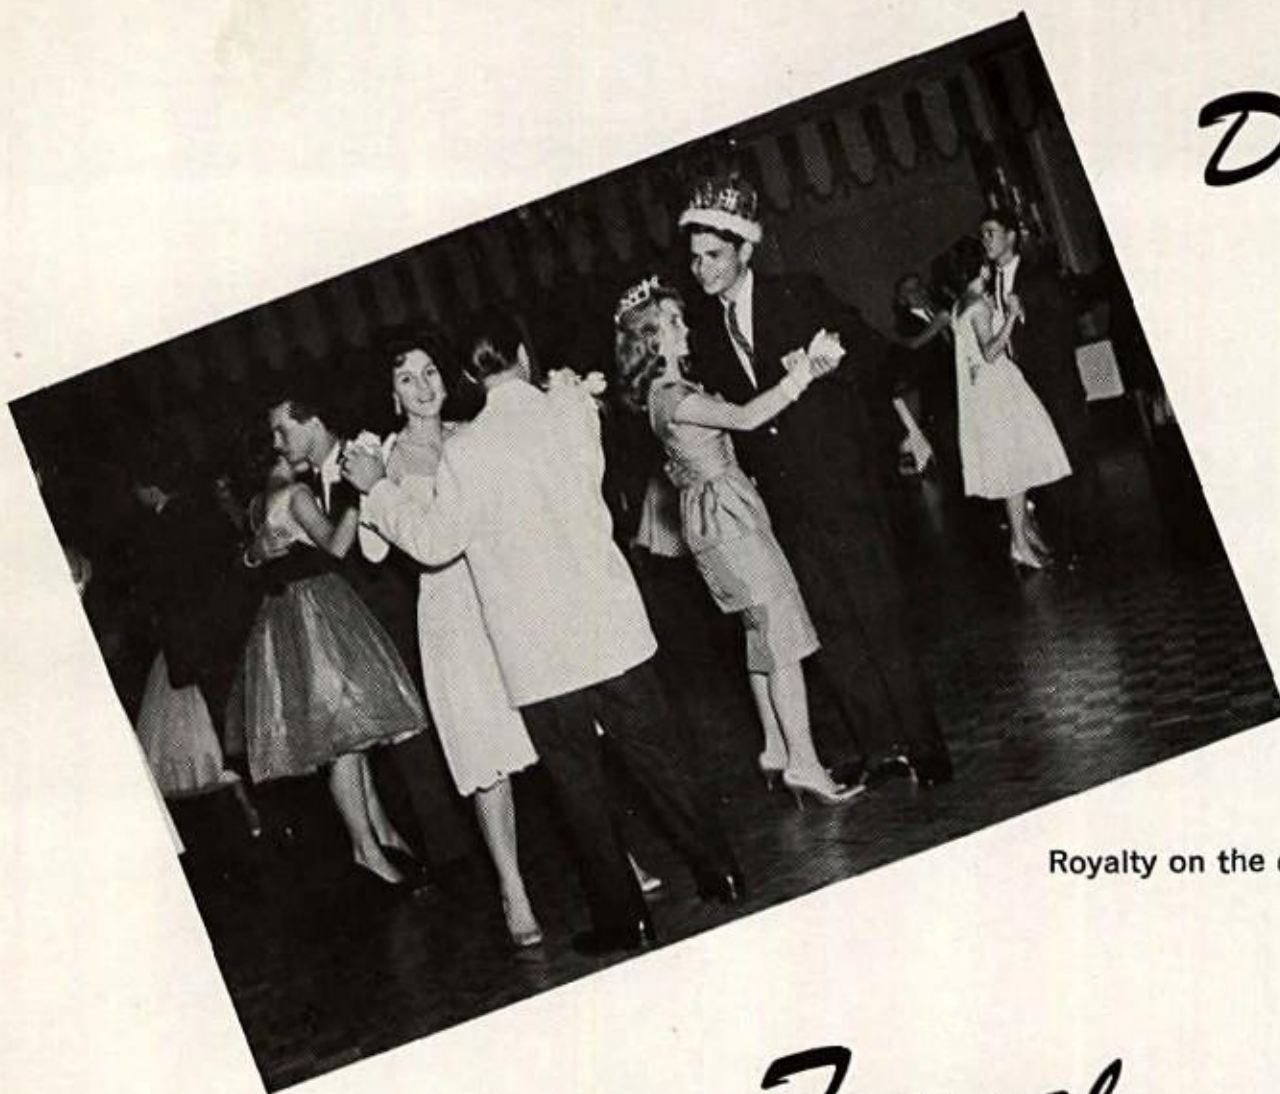

The day was climaxed in the evening when Saints engaged Pt. Loma. Celebrations at half time were high-lighted by the crowning of Susan Carr, Homecoming Queen from Our Lady of Peace Academy. Her court was composed of Micki Conte from Cathedral, Magda Saborio of Regina Coeli, and Kathy Clare, the Rosary entry.

Unfortunately defeat marred the day as the Pointers overcame the Saints in the first quarter of the game. Nevertheless, Saints had a great Homecoming Day capped by a top-notch football game.

Fr. Williams' last stand

Saints' social season, which began with a revolutionary idea in the form of after-school mixers, was a careful balance between formal outings and those with an informal atmosphere.

The La Jolla Country Club, the Hotel Del Coronado, and the El Cortez Hotel were scenes of our formal affairs, while our own gym served for the more frequent informal dances.

Saints were treated to the music of the finest bands in the city at such dances as The Black Cat Ball, The Hoe-Down, and The Saint Patrick's Day Dance.

The climax of the social year came with the Senior Prom and the Junior Dance, both of which were very successful and much enjoyed.

*When the last big game is over
When the last roll call is heard,
When the oldest pedagogue
Has had his final word
We shall come to Alma Mater
In our dreams again
With a prayer for Saint Augustine
And a sweet amen*

Note From The Editors...

Dear Reader:

In the past, THE SAINTSMAN has had the reputation of being one of the finest annuals in the city! Our task, therefore, was great, and with the '61 SAINTSMAN we trust that that former quality has matured with another year of experience.

With an early December 15th deadline, the formal production of the annual began when the staff submitted to the publisher the culmination of three months of arduous preparation.

Through the efforts of such men as, Mike Bujazan, Chuck Whitney, Wink McColl, and Don Birt, we reached our predesignated and final deadline of March 30th. Because of this accomplishment we are pleased by the fact that THE SAINTSMAN for the first time in the history of the school, met every one of its deadlines.

As co-editors, we have enjoyed working together, and we both sincerely appreciated the

complete co-operation of the many students on the staff.

Obviously the production of an annual would not be possible without the much needed aspects of guidance, inspiration and assistance. We proudly and gratefully boast that these needed aspects met complete fruition with Joe Busco and Bert Nestor who supplied us with our quality senior portraits, Ross Reyman from whom we received our underclass pictures, the representative of the Mirro-Graphic Company, Bob Hopkins, and the two men who oversaw the entire operation, Fr. McLaughlin, a former SAINTSMAN editor, and Fr. Wasko.

We wish to extend our thanks as well to all those who helped us in any way, particularly to the art staff, which included LaMont Mitchell, Barry Martinson, Larry O'Connor, Gary Sawaya, and Frank Gammicchia.

Finally we thank the entire student body for whom the annual was produced and without whom it could not have been created.
